*Mental health for all*

The Canadian Mental Health Association Nova Scotia Division (CMHA NS) would like to advise the community of Kings that the CMHA Kings County Branch voted to wind up its operations and transfer ongoing program delivery to the NS Division office as of November 4, 2019. Effective November 4, 2019 the former Kings branch no longer has the ability to use the CMHA name and brand.

The CMHA NS Division acknowledges the former CMHA Kings County Branch's years of mental health and anti-stigma awareness raising efforts, through programming to support those living with and experiencing mental ill-health, and thanks to the many volunteers who helped with program delivery.

CMHA NS looks forward to collaborating closely with the community of Kings County to discuss non-clinical mental health and addictions needs and explore ways to provide mental health promotion and recovery maintenance initiatives in the future.

We apologize for any inconvenience during the transition. Please direct questions related to program activities undertaken by the former CMHA Kings County Branch to the CMHA Kings County Board of directors.

Any questions about current CMHA NS Kings County programs and services can be directed to 1-902-466-6600 or 1-877-466-6606.
